

Dear Parent/Friends,

I am excited to be able to offer our families an exciting new fundraiser from Market Day! This one-time event is in addition to our Market Day monthly food program and can be used together to make great meals. This is a separate fundraiser outside the monthly program.

Market Day offers a variety of items your family will love. **NEW** meal solution seasonings help you stretch your family food budget and help us reach our goal at the same time!! Easy-to-prepare mixes need just a few additional ingredients from your pantry.

Every purchase will help our group reach our fundraising goal. We've also made it easy for you to reach out to friends and family near and far with emails. Just go to **marketdayfundraising.com** and register by entering their email addresses and they will be invited to participate in this sale. They will have the option to order these same great products that can be picked up at our event location, or they can choose to order many other items that can ship directly to their home. In addition to Market Day products, everyone can purchase licensed sports merchandise, personalized gifts and accessories, magazines and more! And remember, a percentage of every sale will be go towards our goal.

To order products from this printed brochure, you can either:
