Walter J. Kappeler, Ed.D.
Superintendent of Schools

Steven J. Jakubowski, Jr.
School Business Administrator

Dear Swedesboro-Woolwich School District Family:

It is my honor to serve as the superintendent of schools for the Swedesboro-Woolwich School District effective July 1, 2021. You have earned a reputation as a school community committed to putting children first and I am excited to work with you to continue that legacy. I am grateful to the SWSD Board of Education, Interim Superintendent Dennis Anderson, and Interim Business Administrator Jack Pfizenmayer for their leadership during our transition. I would also like to welcome Mr. Steven J. Jakubowski, Jr. as our new School Business Administrator. Despite the complexities associated with a new administrative team, it is going to be refreshing to get back to a more typical school year. Our front office will strive to be accessible, available, and ready to serve all of our partners in education.

To the students of the Swedesboro-Woolwich School District, I believe that you are uniquely and wonderfully made with a purpose that only you can fulfill. I will work tirelessly to help you discover your purpose and equip you with the tools and resources you need to achieve your dreams. I will commit to believing in you, even when you feel like school is too hard. I will encourage you all along the way. But above all else, I will strive every day to put you in a position to be successful now and in the future.

To the administration, faculty, and staff of the Swedesboro-Woolwich School District, I believe that you also are uniquely and wonderfully made with a purpose, which many of you have already attained. It is my mission in life to collaborate with you, empower you, and to innovate with you to create a student-centered learning environment where achievement is measured by more than just standardized test scores. No matter your position, you play a pivotal role in the life of the Swedesboro and Woolwich children and each day makes an immeasurable difference.

To the parents and caregivers of the Swedesboro-Woolwich School District, I believe that you are uniquely and wonderfully made with a purpose as well. Part of your purpose; however, includes helping your children discover theirs. It will be my honor to partner with you using a whole family approach to provide a network of support for your children as they navigate their educational journey.

If we've learned anything over the last 18 months, it has been the importance of a true partnership in learning. We must work together to help every child achieve success.

All the best,

Walter J. Kappeler, Jr., Superintendent
