

2016-2017 Book of the Year Outreach Program

Harker School raised \$992.72 for Heifer International which enabled us to purchase a goat, a pig, a water buffalo, and nine-tenths of a cow for the Heifer project. BUT, that is not the end of the story! On Thursday, March 3, 2016, Mrs. Sellen received an email from Heifer International stating an anonymous donor matched our \$992.72 contribution. WOW!! This generous donation means Harker was able to donate TWO goats, TWO pigs, TWO water buffaloes and TWO cows For the Heifer project.
