HARKER SCHOOL

CONGRATULATIONS!!!!!!

Due to the District's dedication to support character, social, and emotional development of all students, the District was committed to submitting one of our schools for consideration of recognition as a 2020 New Jersey State School of Character.

On our initial application, we are proud to announce that the Charles G. Harker School has been named a 2020 Honorable Mention New Jersey School of Character!

The Harker School will be officially recognized for this honor at the New Jersey Alliance for Social Emotional, and Character Development (NJASECD) Conference at Rider University in May 2020.

The Harker School was recognized in its application for implementing "promising practices" and strategies that could help other schools.

Since this was the District's first application to celebrate the hard work being done throughout the Harker School, please know that the District strongly believes in the great work that all four of our schools are doing. Since this was our first application, it was decided to nominate one school; however, all four schools are deserving of recognition for their commitment to student character development, too. The District plans to apply again for 2021.
