Public Comments/Visitors

Pursuant to the Open Public Meetings Act, this meeting will now be open to members of the public who wish to speak or make comment on agenda items or a school district issue that may be of concern to the residents of the district. Any person who wishes to speak must wait to speak until they have been recognized by the presiding Board Officer. If a large group of people are present to speak, the presiding Board Officer may, at his/her discretion, limit the number of people allowed to speak.

Any person who wishes to speak is requested to give their name, address, and group affiliation, if any, at the beginning of their comments. The Board requests that each group that wishes to be heard choose one representative to speak on its behalf. Comments shall be limited to five minutes in total length. It is the intention of the board to listen to public comments, and to respond if possible. If questions cannot be immediately answered the Board asks that you pose the question to the Board Secretary via e-mail. If your questions or comments pertain to litigation, student or personnel matters, the Board asks that you see the Superintendent after the meeting since the Board does not, pursuant to the Open Public Meetings Act, discuss or respond to these items in public.

This meeting will move into regular agenda items at the conclusion of the public comments or at 7:05 pm whichever occurs first.

1- Ms. Dana Stevens- 142 Maple Hill Drive-Parent
Ms. Stevens is trying to understand the decision to eliminate the busing for Stratton Students from High Hill Estates.
Mr. DeStratis explained that Woolwich has very few pathways and the communities that lie within the 2 miles parameters to our schools will be weaned off courtesy busing because they are no longer neighborhoods without pathways or sidewalks.
Ms. Stevens asked when this decision was made.
Mr. DeStratis believes it was around April.
Ms. Stevens said that this shows lack of consideration to the families since they did not get notified until 2 months prior to school.
Ms. Stevens also expressed concerns about the walk way during inclement weather.
Ms. Stevens brought up the additional school funding from the government and the district is passing the cost to the parents and not cutting the residents any breaks financially.
Mr. Fredrick explained to Ms. Stevens that the board can provide details on how it was allocated. The board will meet with Dr. O’Neil and Mr. DeStratis and will supply a written response as a follow up.

2- Ms. Stephanie Nieves- 25 Hill Farm Way- parent
Ms. Nieves is here for the same topic. She would like to understand the savings to the district. She also wanted to point out that the pathway this past winter was never shoveled. It is a very unsafe area.
Mr. Frederick thanked Ms. Nieves for raising these concerns. The board will investigate.
Ms. VanDiehl wanted to suggest for her to reach out to the township since the pathways are a township issue.

3- Mr. Feliz- 102 Maple Hill Drive- parent
Mr. Feliz wanted to first thank the board for all that they do and for volunteering their time. He asked how far out does the district’s responsibility extend in terms of safety. He understands there are crossing guards.
Mr. DeStratis explained that the crossing guards are through the township and would be a township issue.
Mr. Feliz also wanted to know what/who would be involved in the decision for the speed limits. He was told that the county office would need to get involved.
Mr. Feliz asked how long the process would be to determine if this pathway was deemed unsafe and what steps would need to be done.
Mr. DeStratis explained that the county will usually investigate complaints about bus stops but the police are responsible for declaring stops hazardous. He would reach out to Matt Blake and if the pathway was not allowable then the district would need to put the bus back in play.
Mr. Feliz also mentioned that in the letter it states that these children are considered walkers, does that mean that you expect the children to walk to school.
Mr. DeStratis explained that when the students are outside the NJ statute for busing they are released from our courtesy busing as long as there is a pathway.
