**IMMUNIZATION NOTICE**

February 2016

Dear Parents and Guardians,

According to the New Jersey Department of Health, CHILDREN WHO ARE ELEVEN YEARS OLD ARE REQUIRED TO RECEIVE A BOOSTER DOSE OF THE DIPHTHERIA, TETANUS AND PERTUSSIS (Tdap) VACCINE AS WELL AS ONE DOSE OF MENINGOCOCCAL VACCINE TO ENTER GRADE SIX.

Please check with your child's physician to make sure these new immunizations are given as your child turns 11 years old so they may enter sixth grade.

Proof of immunization signed/stamped by your child's physician must be sent to or dropped off at the Walter Hill Main Office, to the attention of the school nurse.

Thank you for your cooperation,

Lisa Davis, RN  
Walter Hill School Nurse  
856-241-1552 Ext. 2213
