Communication:

The District has established many ways to communicate with parents. As you may be aware, the District utilizes a website to post important reminders for all parents to access. Teaching staff in every building also sends home weekly folders for parents to review. There are other ways that we also use to keep in touch with our parent community:

1. The District emails out and posts weekly [Comet Clips](#) online for parents. Information about each school as well as the District is included. [Comet Clips](#) are emailed out on the last school day of each week.
2. A Monthly [School Board Brief](#) is also posted online for parents to review. This is usually posted 2 weeks following a scheduled BOE meeting but before the meeting minutes are officially approved. The [School Board Brief](#) is for informational purposes only.
3. The District maintains its own Facebook Page and Twitter Account. You can locate these accounts on our [District homepage](#) by scrolling down to the middle of the page (under our District Vision Statement). You can find us on Facebook by searching "Swedesboro-Woolwich School District" and our Twitter account is @SWSDistrict.
3. Parents can choose to sign up for our webpage updates. Visit our [Technology Department page](#) to learn how to log into the District site.
4. The District also utilizes a mass distribution email, text, and phone system. Please be sure to update your [School Messenger Parent Account](#). Parents decide their preferred method of contact, phone number(s), and/or email address(es).
5. The [District Calendar](#) is posted on the District's homepage. Once on the homepage, scroll toward the bottom and look on the right hand side. The 2017 -2018 school calendar is posted under "Site Shortcuts."
6. If you have any difficulties, please do not hesitate to contact Mr. Brown of the SWSD Technology Department. (jbrown@swsdk6.com) The entire department is comprised of several amazing staff members who are always here to assist you.
