APPLICATION FOR AWARDS AND SCHOLARSHIPS

1. **What is the name of the award?** The Stephen C. Kreps Memorial Scholarship.
2. **How will the winner be selected?**
 - a. A student who attended the Walter Hill School and plans to attend a 4 year college majoring in education
 - b. A student who attended the Walter Hill School and plans to attend a 4 year college majoring in science

The candidate must submit a brief paragraph (not free essay) as to why they should be considered for the award. Applicants must indicate that they attended the Walter Hill School.

The Stephen C. Kreps Memorial Scholarship was established in memory of Steve Kreps, 6th grade teacher at the Walter Hill School who died unexpectedly in 2019 doing what he loved. Mr. Kreps taught for 27 years at the Walter Hill School impacting the lives of thousands of students, parents, and staff who passed through the school. Mr. Kreps was one of the most genuine and caring individuals you could hope to meet. He had an incredible ability to make science come alive while recognizing that each individual may need to learn differently. The selected recipient of this award must display/demonstrate the desire to help others. It is the heart and character of the person, not their grades that make them worthy of this award.

3. **Who will select the winner?** The Kingsway Regional High School Scholarship Selection Committee will identify the top 5 candidates to be sent to the Kreps Family for consideration. The Kreps Family will identify the winner of the scholarship.
4. **What is the award?** \$1000.00
5. **Is this a one-time award or will it be applied on a yearly basis?** The award will be yearly.

Please note there are some reservations about presenting awards with a residency requirement. Awards should be presented regardless of race, gender, color, creed, residency, etc. We suggest all seniors be included for all awards.

Upon the return of this form, your request will be presented to the Board of Education. Thank you for your kind interest in our schools.
